HAPPY HOLIDAYS!!

Ladies,

First of all, we want to wish all of our Zonta sisters a VERY happy holiday season. Please take time to remember your blessings. As ladies living in a rural Indiana community, we are blessed to have warm homes and ample food. That is not the case with many women and children throughout our own community, our state, our country, and our world. Zonta brings awareness to many less fortunate. The Zonta International Foundation supports several worthy programs and projects that benefit thousands of women around the world. If you are so inclined, please go to Zonta's website at www.zonta.org and click on 'donate' to share your blessings with others throughout the world.

We are in the midst of the "Zonta Says NO to Violence Against Women" global campaign. Every year, during the 16 Days of Activism against Gender Violence (November 25 thru December 10), Zontians around the world take action and advocate to end gender-based violence. We are honored that Frankfort's Mayor Chris McBarnes signed a proclamation declaring (in part) . . . "Zonta's 16 Days of Activism Against Gender Based Violence throughout the City of Frankfort, Indiana, and encouraged all of our citizens to recognize Zonta's impact it has made and continues to make as a critical part of our community." Thank you Mayor McBarnes!!

Again, Merry Christmas to all of you.

Nancy and Jeni

Time for NUT(s)!

The new order is in and Marlene's freezers are full with 669 bags of nuts! If you've placed an order, please contact her to make arrangements to pick it up and pay, as the invoice is due December 12th. Sales do seem to be extremely slow so far compared to past years with less than 20 members participating to date. So, let's all get our contacts made to our families, friends, and co-workers!

At \$11, these make GREAT gifts for anyone on your list!

There will be various ways we can all participate and Stephanie will be sending more details on this in the next day or two, so please watch for her e-mail!

16 Days of Activism Against Gender-Based Violence
& Zonta Says NO to Violence Against Women

November 25 — December 10

Mayor's Proclamation — November 16th: Members of the Zonta Club of Frankfort stand with Police Chief Troy Bacon, Officer Jeremy Rushton, and Mayor Chris McBarnes after the Mayor signed a Proclamation in support of the 16 Days of Activism Against Gender-Based Violence. Beginning November 25, the International Day for the Elimination of Violence Against Women and ending on December 10, International Human Rights Day, these 16 days are used to draw attention to and raise awareness of violence, both in our community and around the world. It is an opportunity to encourage and let victims know that there is help and resources available to them; they must step out of the shadows, speak up, and know that they are not alone.

A BIG "thank you" to Debbie G. and the Advocacy Committee for our program on Human Trafficking!

Indiana Human Trafficking Statistics

152 Calls to Human Trafficking Hotline
59 Human Trafficking Cases Reported

"Red Flags" of Trafficking

Do you think they...
 live with employer or have poor living conditions?
 show signs of physical abuse?
 have their identification or legal documents?
 give answers that seem rehearsed?
 are able to speak without their employer present?
 If comfortable, ask simple questions, such as:
 Can you leave? If not, Why?
 Do you eat or stay there?
 Do you have your identification or documents?

Human Trafficking was the topic of the November 28th meeting where Frankfort PD Detective Jason Albaugh and CC Deputy Prosecutor Stephanie Myers shared how this crime occurs in Indiana and around the country. Jason stressed that it takes a "community team" approach to address the problem, not just law enforcement and prosecutors. We can all be part of the solution by watching for some of the "red flags" of trafficking. Stephanie reported that the average age of someone being exposed to human trafficking is 12-14 and that the life expectancy of a victim is seven years, while that of a drug dealer is 37 years.

Denise Barney also told how her role at Quinton's House helps support law enforcement by gathering information from the victim that they can then use to further their investigation.

Kathy Martin, Healthy Communities of Clinton County, spoke on a recent grant that has allowed them to secure a child advocate to work with victims, and related or "secondary" victims of crimes using VOCA (Victims Of Crime Assistance) funds and with greater discretion on how these funds are used.

If you suspect someone may be a victim of trafficking, notify law enforcement. The phrase, "if you see something, say something", is most always the best way to be of help in any suspected crime.
