### Co-Presidents Message

Ladies,

We hope you all had a wonderful Christmas and perhaps enjoyed a few days with family and friends, sharing and making plans for the new year. Yes, it's hard to believe it's a new year and as we begin the new year, we'd like to reflect on some of our club's accomplishments so far this current Zonta year.

August - Annual kick-off picnic at Susan's with 18 members enjoying great company and fantastic weather!

September - Heard about CSF Reading Champions program and the impact it's having on elementary students; amazing what 30 minutes a week can do. Members provided the Crossing School with supplies and other items for beginning their year.

October - Fall Conf: Club applauded for 15 new members and in top 10 for funds raised to support service - \$4940 from Chicken Noodle Dinner & Country Store!

International service project update on early marriage; links to ZISVAW efforts as child marriage is a form of violence against women

Zonta Says NO! walk—Lebanon; 14 members & CP Z Club girls joined others from Area 4 ; Boone County Sheriff Mike Nielsen stated, "only because of increased awareness and people taking action can we decrease the trend of violence. That's why organizations like Zonta are so important."

November - Mayor's proclamation in support of 16 Days of Activism Against Gender-based Violence; "encourage(d) all of our citizens to recognize Zonta's impact it has made and continues to make as a critical part of our community."

Heard how human trafficking occurs in Indiana and around the country; eye-opening program on issue that may be happening right here in our community. .

December - Christmas Party attended by 23 members at Angry Donkey; wonderful food and service, with "dirty dice" gift game enjoyed by all! Members helped a family of four celebrate Christmas with gifts and food items.

Whew! And the year's just half over, so think of all we might accomplish in the next! Yes, the past several months have offered numerous opportunities for all of us to join in the friendship, fun and successes of our club and we look forward to the coming months to present even more!

Thanks to all of you for your dedication and know that everything you do to support the work of the club is greatly appreciated. Nancy and Jeni

**Quinton's House**

January's service project will be at Quinton's House where the key word will be organization! The community has been very generous in donating clothing for children of all ages and it needs to be sorted and organized so that an item of a particular size can be easily found. More info will be shared at our meeting on January 9th.

**Open Door Clinic**

As noted in your yellow Yearbook, our February service project is the Open Door Clinic. Plans for our program meeting are to focus on the Clinic and the work they do in our community—work for many who do not have access to, or only limited access to, health-related care.

*Watch for more in the February Newsletter!*

Our January program meeting will bring **Ashwati Das** to speak to us. An AE Fellow at Purdue, Ashwati is a Graduate Research Assistant helping with work for Lunar Gateway Operations or now referred to simply as "The Gateway". The Gateway is planned to orbit high above the poles of the Moon in support of crew visits and science experiments. Working with NASA, Ashwati has also been Involved on the Next Mars Orbiter, NeMO, a proposed communications satellite.

**So, mark your calendar for this fascinating, interesting, "out of this world" program!**

**Please, RSVP your attendance by 6pm on Sundays prior to our club meetings, as it really helps eliminate phone calls and texts!**  
**Thank you.**

Mayor McBarnes will bring us up-to-date on where things stand in Frankfort and how the work of our service clubs impacts our community. We want to be well represented at this first-ever, joint venture of the Frankfort service clubs, as having a strong attendance is an excellent opportunity to let the community see who we are as Zontians. And, although the deadline is past, we did get a couple extra tickets, so contact Jeni at 765-714-9664 if you would still like to attend .

## **December Service Update!**
