MEMBER OF ZONTA INTERNATIONAL
EMPOWERING WOMEN
THROUGH SERVICE & ADVOCACY

April / May 2021

District 6 • Area 4 • Club 373

President's Message

What a year this has been! Who would have thought that you would have to get home to mow the yard before the snow came! Despite the brief glimpse back to winter, it has been a beautiful spring. A highlight for me was our Zonta Spring workshop. We had a great turnout – more than we originally thought would be there in person. I am proud to say that Frankfort represented well, not only as the host club, but as well in attendees! And a HUGE thank you to all of those that helped make this event go so well! I hope that those that were able to attend enjoyed the day as much as I did. The table discussions during the afternoon were engaging, thought-provoking, and insightful.

As we continue through Spring, we begin to plan our annual meeting, coming up on Tuesday, May 18. This will be held in the evening, so please Save the Date! It would be fantastic to fellowship with many of you that evening. We also hope to be able to honor our Z Club ladies as well as our scholarship winners. *Stephanie*

“Spring brings new growth; weed out the bad and make room for something beautiful!”

PLANNING MEETING

Tuesday evening, June 8th
(Time & location to be determined)

Pending plans are to have a picnic as part of this very important evening when our new Committees have the chance to get together and discuss plans for the upcoming club year!

CONGRATULATIONS!

The Scholarship committee has voted unanimously to award the 2021 Career Advancement Scholarship to Miss Hailey Webb, 19 years old and a 2020 graduate of Frankfort High School with an Academic Honors Diploma.

Hailey is just completing her first year at Ivy Tech Community College-Lafayette and will be pursuing her Associate of Science degree in NUR-RN with an estimated graduation date of May, 2023.

Hailey was recently inducted into Phi Theta Kappa honor society, centered around service activities at IvyTech.

Hailey is funding her college education on her own and recently was offered a part-time position at Wesley Manor Frankfort, as a life enrichment aide.

Hailey writes how her Program of Study will add to her opportunities for employment, saying, *"Receiving an Associate of Science-Nursing will be a huge help in starting my nursing career. As well as the physical and medical aspects, the program will teach me how to relate to my patients as a nurse and make them feel comfortable as possible. Overall, this program gives me the ability to take the courses I need and to take the NCLEX exam, which will give me the certification needed to officially become a registered nurse."*

We hope our members will plan on attending our annual meeting the evening of May 18th when we will host both **Hailey Webb**, the 2021 Career Advancement Scholarship recipient and **Allie Marchand**, the 2021 YWPA Scholarship recipient, and their guests. We look forward to our membership meeting both young women and hearing them describe their future educational plans.

Note: There were no applicants for the Jane M. Klausman Women in Business Scholarship.

Blanket Service Project

Our club is going to do a BLANKET DONATION DRIVE with our membership. The Service Committee has decided to collect blankets from members for "**We Care**" home on W. Clinton Street in Frankfort. They assist women in recovery and the director indicated their beds are twin size.

If you would like to donate a twin blanket please contact **Jenny Neal** to make arrangements for pick up. Blankets may be purchased or made and most sewing centers have the kits to make a fleece type blanket. If you would like a kit to make a blanket, please let Jenny know and she will get one to you.

This is a biennium project and will run into the 2022 calendar year.

Thank you in advance for your participation in this project.

As host for the **2021 Area 4 Spring Meeting / Workshop** on Saturday, April 17th, our club was well represented with 13 members in attendance!

Along with members from the Indianapolis and Lebanon Clubs, we were joined by our District 6 guests: Governor — Anna Weselak, Lt. Governor — Cheryl Trudeau, Leadership Development Committee Chair — Yvonne Chalfant, and Zonta Foundation Ambassador — Dorothy Suther.

After updates by these guests, followed by a delicious brunch provided by the Angry Donkey (*yes, there was bread pudding!*), the balance of time was spent on three (3) round table or Zoom room discussions focused on the work of the advocacy, membership, and service committees. The day wrapped up with an “afternoon tea” with angel food cake (*by Marvel!*) with fresh fruit and..., yes, more bread pudding!

A BIG “**THANK YOU**” to everyone who attended and/or helped to make this event a success!
