President's Message

As the fiscal year comes to a close, it is good to reflect on where we have been and we are going.

As a club, we supported a family at Christmas, sent over 500 postcards with encouraging messages to residents all over Clinton County, and provided blankets to WeCare. The club hosted the Area 4 Spring workshop with a great turnout and was successful thanks to the efforts of many of you! While we missed having our annual Christmas party and postponed our Chicken Noodle Dinner to September 11, we had a fantastic evening at our Annual meeting. We also funded all of our commitments for the year to community organizations and our scholarship winners!

This fiscal year started with a planning meeting with a small but mighty group. We made an outline for our next fiscal year to include a celebration of the Zonta Club of Frankfort turning 65!! Three members attended the North American Inter-District Meeting in Cincinnati this weekend. It was a fantastic opportunity to network with fellow Zontians, gain a vast amount of knowledge, and be re-energized for Zonta.

We have a new Zonta year ahead for us, and I for one am looking forward to seeing what great accomplishments we make this year!!!

2021 ANNUAL PICNIC — WEDNESDAY, AUGUST 11th at 6:00pm

Susan Kaspar has again offered to host this year's picnic at her home in Little Lakes (1348 Tulip Tree Drive) where we can view the lake and sunset as we come together to kick-off our club year!

The Board will provide everything, so all you need to do is come and enjoy the evening!

Sure hope to see everyone there!

CHICKEN NOODLE DINNER & COUNTRY STORE SATURDAY, SEPTEMBER 11th

Dana Myers, Head Chicken, is so excited and will be contacting you soon to get tickets to you and schedule your work shifts for our major annual fundraiser!

With this Fall event, just 10 adult tickets at \$10 each are required to be sold by each member. Ticket money is due by 8-11, which coincides with the date of the picnic.

There will be help needed to bake/bag cookies ahead of time and on Friday to set up tables/chairs, make slaw, and load/unload supplies. Saturday shifts typically run from 4:00-6:00pm & or 6:00-8:00pm and includes work in the kitchen, on serving lines, filling drinks, dipping ice cream, clearing/cleaning tables, washing dishes, and tear-down of tables/chairs at the end of the evening.

Again, Dana will be making contact soon, so begin thinking of family and friends to get those tickets to, which shifts to sign-up for, and what yummy items you'll bring for our Country Store!

The 2021-2022 planning meeting was held on June 8th at Elle's Retreat and, as Stephanie's opening message noted, it was "a small but mighty group", however there is still lots of work to be done!

Since our club changes committees in the opposite year of the election of new officers, this is that year for those changes. And, as discussed at meetings previously, the number of formal committees will now be four rather than nine.

First, the Nominating Committee is elected by the club and the remaining committees are appointed by the club president and authorized by the board. For our club, these committees are:

1. Advocacy
2. Membership
3. Service

The duties of our former committees will be distributed within these 3 committees.

While a calendar outlining plans for our coming year was prepared at the meeting, the details now need to be completed. As the 3 committees were unable to gather at the planning meeting, **Stephanie will be reaching out to set individual committee meetings to review the calendar and activities to finalize plans for the year, so please listen or watch for her communication!**

2021 North American Inter-District Meeting (NAIDM)

Three members of our Club attended the NAIDM in Cincinnati from Friday, 6-25 – Sunday, 6-27. Held in odd-numbered years and opposite the ZI Convention, the meeting is for all members of clubs in North America which includes the US and Canada. Pictured below with Lebanon member Lisa Conard, they enjoyed the chance to reconnect and/or meet other Zontians from throughout the US, as our Canadian sisters all attended via Zoom due to travel restrictions.

Some of the workshops attended included tying local service to international, recognizing & building on Core Competencies, negotiating for equal pay & organizing equal pay campaigns, and partnering with like-minded organizations for service and fundraising.

Sharon Langenbeck, ZI President attended, along with other members of the International Board, and shared various information on the work of ZI both here and around the world. This was a great time to talk with ZI leadership and in general, get to know other Zontians as we learn and share together!

The next NAIDM will be hosted by our District and will be held in either Illinois, Indiana, or Wisconsin, so mark this on your calendar for **June 2023!**
