President's Message

As I reflect over the past two years, it is hard to believe that it has gone this quickly. So much has come to pass these last 24 months. We learned to meet via Zoom, we were pen pals with people right in our own town, we had a successful drive thru Chicken Noodle Supper and Country Store, and we learned to pivot...frequently!

I appreciate each of you for continuing to move forward despite our circumstances and achieving our goals. I look forward to many more years of successful club events!

Stephanie

Area 4 Spring Meeting / Workshop

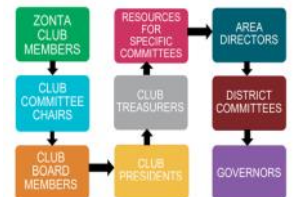

The Zonta Club of Indianapolis hosted this year's event on Saturday, May 7th at Robin Run Village in Indy. Our club was well represented with 8 in attendance: Marvel Albitz, Marlene Brant, Stephanie Buntin, Rachel Milburn, Dana Myers, Jeni Royalty, Susie Trees, and Tina Stock. Thank you, Zontians, for your support to our Club, Area, and District!

Joining other Area 4 members of the Indianapolis & Lebanon Clubs, our District 6 guests included Governor Anna Weselak, Lt. Governor Cheryl Trudeau, and Foundation Ambassador Dorothy Suther. These guests gave information from ZI which included the following:

- NEW mobile app—Zonta Connect
- ZI Convention business – highlights of 2022 Club Mailing
- 2022 Club Mailing – highlights on the business of the International Convention
- District 6 membership - 481 members in 22 clubs throughout Illinois, Indiana, and Wisconsin; 72 of those members represent Area 4
- New member orientation – morning and evening sessions offered monthly by ZI
- Zonta Foundation for Women – Update on financial support from District to the ZI service projects; D6 biennium goal was \$100,000 and we stand at just shy of \$110,000!

The three Club Presidents from Indiana provided an overview of the activities of their respective clubs and along with our own Stephanie, this included Judi Wilson – Lebanon Club and Tania White – Indianapolis Club.

Our own Susie Trees - Leadership Development Committee Liaison for Indiana, presented "Leadership: Follow the Signs", highlighting the ZI Leadership Resources for all Zontians with special emphasis on the **Core Competency Development Program**. She offered "A Roadmap for Leadership Development" not only to build our own leadership skills within the club, but skills that can be used in both our personal and professional lives too. The importance of using the Core Competency Plan by making it a routine part of our club development will help ensure we have members interested, prepared, willing, AND "if called upon for leadership responsibilities", will "serve enthusiastically"!

After a delicious lunch we had an enlightening presentation titled Human Trafficking 101. Presented by Chelsea Unogu, the Region 5 Coalition coordinator for Indiana Trafficking Victims Assistance Program (ITVAP), Chelsea shared the definition of human trafficking:

The use of force, threat of force, fraud, or coercion to compel a person into any form of work or service against their will.

She also explained that human trafficking can be further defined by two types:

Sex Trafficking: *The recruiting, harboring, transportation, provision, obtaining, patronizing, or soliciting of a person for the purpose of a commercial sex act in which the commercial sex act is induced by force, fraud or coercion or in which the person induced to perform such an act is under 18.*

Labor Trafficking: *The recruiting, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.*

This was a great opportunity to learn about this problem and **YES**, it happens right here in Indiana! To learn more, visit: <https://indysb.org/itvap/>

Again, a big "THANKS" for our Frankfort members who attended and helped make the day a success!

On April 13th we recognized two Senior members of the Clinton Prairie Z Club and one sponsor.
