### GAME NIGHT ATTENDEES

Our “Game Night” event on February 1st was a fun evening of snacking and learning a bit about how some of our fellow Zontians think by playing a game called “Loaded Questions”. If you missed this event, you missed a fun evening!

Although we had planned to pack kits for Ascent 121 as part of the evening, we were unable to do so. To wrap up this project, we still need the following items:

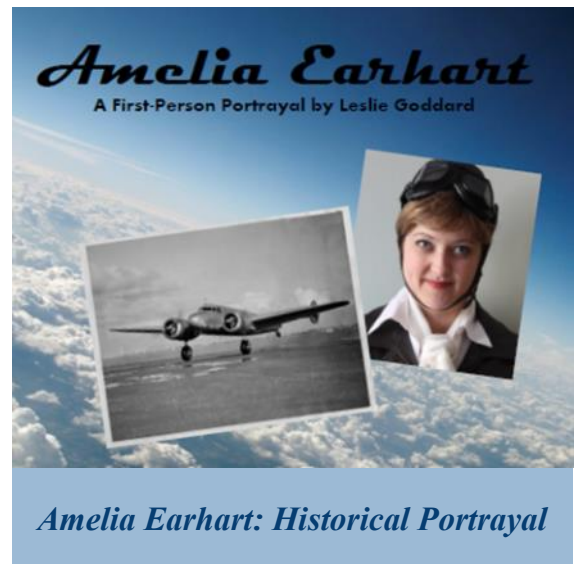

Nail Polish – 35 bottles	Cardboard nail files – 36	Hand scrub - 24
Hand towel – 66	Candle – 20	Foot scrub – 5
Small bags of individually wrapped candy – 30		

If you don't have a chance to pick up these items yourself, many of which can be found at Dollar Tree, a cash donation will be accepted to purchase them. Items or cash can be brought to this week's meeting on the 22nd or you can call/text **Stephanie** at 652-0704 for pick up. Once we gather these last items, a time can be set to package both the manicure and pedicure kits. Thanks for your help!

This public event brought members, along with family and friends, to the Frankfort Library on January 11th to hear Leslie Goddard as she portrayed Amelia Earhart. Leslie allowed us to “meet” Amelia and hear of her experiences as the first woman to cross the Atlantic by airplane (1928), the first woman to fly solo across the Atlantic (1932), and the first person to fly solo from Hawaii to California (1935). We also heard how she learned to fly, what inspired her adventurous spirit, and why she set off in 1937 for an around-the-world flight.

Amelia Earhart was an active member of the Zonta Club of Boston and New York during 1928-1937. Zonta International named January 11 as Amelia Earhart in honor of her as a famous Zontian and in recognition of her accomplishment to be the first person to fly solo to the United States mainland from Hawaii which she began on this date in 1935.

On Amelia Earhart Day, and throughout January, we celebrate her spirit and impact as one of Zonta's most famous former members and her contributions to the aerospace industry and her empowerment of women in science.
