

Did You Know...

- *Seventy percent of the world's 1.3 billion poor are women*
- *Two-thirds of the illiterate adults in the world are women; two-thirds of the children not in school are girls*
- *Sixty million women who would be alive today are "missing" because of violence associated with gender discrimination.*
- *Women comprise 48% of the work force. Less than 5% have senior management positions, and they hold only 10% of seats in the world's parliaments.*

What is Zonta's Appeal?

- *Service: Our chance to serve the community, whose support has made it possible for us to be successful in our careers.*
- *Networking: Opportunity to work together with people who share common values, opening doors to friendship with other executives at both local and international levels.*
- *Leadership: Develop leadership potential not only at our club level, but also at the area, district and international levels.*
